Subject: Information submitted on Jennifer Marie Moore and a suggestion of a Homicide finding.

I am a firsthand witness to the events surround the death threats, locations Ms. Moore was at and filming and documents as it pertained to my family history and a criminal racket operation she had received death threats for reporting.

On August 7 2018 I referenced the death of Veronica Hoffman in Los Angeles ruled a suicide and provided evidence of a link to me I think led to her bullying by other people and eventual death.

Jen Moore who gained access to that and was investigating that same matter was found dead herself on August 20 2018 and all 7 people linked to this including former FBI agent Ted Gundeson and Robert F. Kennedy are linked to this same matter as I explain to the Los Angeles Coronoer and Medical Examiner.

In fact when Jen Moore pointed her camera at the location my mother and I live at not far from you coroner's office in Arlington Virginia (850. North Randolph Street Arlington Virginia apartment 221) she was talking about very famous celebrities who had contact with Nazis such as the Bush family prior to hard steers into dangerous territory the Nazis began to embrace.

It was during that transition time from 1925 and the British Imperialism Speech at Wembley Park to the removal of the Von Trapp family (7 known, 3 unknown) children of Maria Augusta Kutschera the history Jen Moore was documenting "ruffled feathers."

I find the death threat she experienced were well documented including by videos, her assertion she was threatened with death, and that powerful elite espionage and political families and politicians had much to hid credible because Jen Moore and I experience the same storyline and threats from the same powerful actors including the FBI who during J. Edgar Hoover's time and since have used Mafia connections (Cali Cartel, La Cosa Nostra, Knights Templar drug cartel) and others such as Mexican Mafia when the FBI leaders or high level politicians find themselves in trouble for their espionage past including high profile assassinations such as Sam Giacanca assassinated before testifying before Congress and other high profile murders.

Jen Moore was by the documents she left and the connection to my family and the history of my family fighting these mob forces openly and online. I can attest to the truthfulness she had reason to fear for her life including when she was taking on the forces of the Mafia and Mexican Mafia in Nueces County Texas which as an unapologetically mafia tattooed outlaw biker tattooed District Attorney 125 miles from the Mexican border where drug and human trafficking exist.

Not only as a first hand witness can I vouch for what she asserted were death threat to her in regards to reporting on my family information I have received death threats from the same powerful espionage figures in events which do trace back deep into history, the OSS (Office of Special Services which became the Psychological Warfare Operations and TSS Technical Services CIA assassinations group of the CIA) and how that pertained to operations during WWI, WWII, and into the sixties with the illegal programs of MKULTRA, experiments in psychology, and in illegal programs tied to the creating of moles and sleeper agents for the 21st Century during the 1960s.

For the moment I am only providing two links, one to my book on the subject which is also being harassed and then to her YouTube videos which include 850 N. Randolph and my mother and I am my family's story.

Slush Fund

A slush fund is a fund or account that is not properly accounted, such as money used for corrupt or illegal purposes, especially in the political sphere. Such funds may be kept hidden and maintained separately from money that is used for legitimate purposes. Google Knowledge Panel excerpting Wikipedia

Espionage is the placement of invisible rocks to the path of Sovereignty of Nations by non national or international interests the flow of Nations of the world are controlled by the invisible rock, and the rock use of Assassination, Regime Change, and other espionage techniques plausibly asserted to be their but plausibly denied as having been put there.

Wikipedia retrieved from Slush fund and copied or modified to here

A slush fund is a fund or account that is not properly accounted, such as money used for corrupt or illegal purposes, especially in the political sphere.[1] Such funds may be kept hidden and maintained separately from money that is used for legitimate purposes. Slush funds may be employed by government or corporate officials in efforts to pay influential people discreetly in return for preferential treatment, advance information (such as non-public information in financial transactions), and other services.[2] The funds themselves may not be kept secret but the source of the funds or how they were acquired or for what purposes they are used may be hidden. Use of slush funds to influence government activities may be viewed as subversive of the democratic process.

In accounting, the term slush fund describes a general ledger account of commingled funds to which all manner of transactions can be posted, with debits and credits cancelling each other. [citation needed]

Examples

Richard Nixon's "Checkers speech" of 1952 was a somewhat successful effort to dispel a scandal concerning a slush fund of campaign contributions. Years later, Nixon's presidential re-election campaign used slush funds to buy the silence of the "White House Plumbers".

Jen Moore, Task Force

She reports Tx is being trafficked in the Mental Health System for family assets of trust fund, who is actually signing away Rx's Trust Fund bled by false claims tied to agency abuse of power and long OSS family history.

Slusch Fund By Identity Theft and Money Laundering Profits fake records fake receipts

The Central Intelligence Agency inherited as an organization the FBI and OSS and US Dept of Defense clandestine history of the the Donegan family in WWI and WWII and those secrets link to the Kennedy assasionation and Jen Moore and the Donegan family have or had access to that information.

Understanding the early days of August 2018. I had thirty days at Capitola with William Ruiz where I compiled money laundering racketeering Slush Fund kited genome value documents that contaned videos posted to YouTube and three MS Word documents with additional and cross referenced material.

This is document is some MS Word docs and Youttube videos I did and link to here but here in this document are some screen shots I placed into the Word docs on the black budget kited funds in RICO operation, and some excerpted text.

I had been and have been bullied over peeping into the gym windows to look at women or children or uniquely my motorcyle had been acused of that. These were lookalikes of me and lookalikes of my motorcycle though my bike did have a trip recording camera that too many videos of mountain ranges 600 million years old for a mineral called Asphaltite that turn into nice secure paved roadways.

People keep shouting at me I was seen a the gym peeping, etc., Tom Dunham and I have had dopples creating lousy records of who he and I are by being fools as our identities. This identity theft I reproted to the police because the person using my identy is willing to payoff his misddeeds to victims with my turst fund who looks at the acts as my acts rather than my dopples. That person being caught be the victim or the victim's accomplices is who pretends as me a debt is owed and my trust fund must pay. If not conteested by the trust fund the debt will be payed out.

OSS to CIA, black budgets, Operation Paperclip, & Hidden Identities (Jen Moore Youtube Video I explain)

Jen Moore is following illicit money laundering and stolen and hidden idnetities in an illegal operatoin with Thomas Moore a proffesional money laundering investigatory accountant. This goes back to slush funds from Nazi recovered funds and CIA and OSS history of WWII.

WHen my identity is proven in the first half like I was in a Home Depot provably somewhere it means a dopple of me at a Home Depot somewhere else can pickup my switched out identity and contiue as me in St Louis or elswhere.

A pernicious Blackmail/Extortion ring has formed. The complexifying elements are that

- Emezzelers have captured funds into bank accounts tied to them but falsy claimed are actually mine use Identity Theft and other Fraud tactics to hold, and money launder the funds due me but held by others. I have no verbal, financial, or any another account of the financial accounts but others use identity theft to create the cover story I am aware of the money and I am spending out of it. Chris Lloyd of Orinda California appears central to this illegal scheme.
- Identity Thieves are using impersonations of me to engage in despicable and politically defaming conduct. PICTURED A bike other than my bike, but of similar description, in an otherwise empty parking lot, is spying on women of the gym. Golds Gym Corpus Christi. Rarely and non-

exploitatively I do use a forward facing dash camera to tape scenic motorcycle rides on MY motorcycle, not the one pictured below.

- The impersonators themselves are both engaging in the despicable conduct and agreeing to be blackmailed socially by dominatrices who will “punish them” by making them give money or other assets to blacks. “Domination is not prostitution.” The embezzled money is turned over to “above board” dominatrices such as Kora Kaine, Anastasia, Veronica Hoffman, and adult toy suppliers in a money laundering operation to semi legitimate businesses or donations. [added 2/15/2022 or seem like legitimate assets seizures of Ed Donegan's trust fund based on the acts of the person who stole the identity of Ed Donegan and used that identity in St Louis or elsewhere.}]
- Public spectacle staged photos (along with phone hacking) create the appearance I am aware of the embezzled misused funds. For instance I have only a motorcycle. If I consider buying a car an look for one or request one from my trust fund, vehicles I am considering will be driven near me, pause, then drive away as though I am examining them. I conjunction with this unrelated spam phone calls will reach my phone making it seem I am being asked to authorize and am involved in some vehicle purchase which I am not. Without out accounting to me embezzlers will buy the vehicle as though authorized by me, keep it for themselves, and conceal it from me. (Corpus Christi Toyota 4Runner or Chris Lloyd Porsche, or real estate such as in Missouri, Moraga California, or Corpus Christi.
- At Points of Sale cashiers intone some “good times” are being bought in addition to groceries from some planted female. I suspect a second transaction (not the legitimate one I make) is later made by an impersonator of me which will access the embezzled account rather than my account. The impersonator will then leave the store or gym with the planted female for the “good time” although the innuendo was said towards me at the point of sale.
- There is law enforcement or Secret Service, DOD, or other internal law enforcement support based on what I have been told by at least 9 people. In ErosX (My identity is crossed out with someone elses) black sex offenders, black foreign nationals, and junkie white trash or other tatooed prison felons have been setup to receive stolen or embezzled property, telling me they were hired by the DOD to do so and in fact they have used names like "Harvey Dent" and "Casper." I do believe this is slush fund related corruption and in international RICO scheme.

ONE EXAMPLE WILLIAM RUZ

A Motorcycle jacket [aka Ruiz "Rocket" Johny Rocket the Trust Fund paid for was stolen and a chair I sat in moved, both to a location I was not at so an impersonator could use those items to establish an identity of me and shower peep.

Verbal narrative but vaugely so was added by William Ruiz that while in my motorchycle jacket I was using remote moinotor equipment to watch women shower.

[Safety gloves were also pilfered and thieves encourage to pilfer from me are encouraged to do so in ways that harm my progress towards important goals or safety, the FBI scheme of disrupting a person's life)

HOW PARTS OF THIS HAVE UNFOLDED (I was in a Home Depot looking for piece of wood for a cat play piece of furniture and walked out the Corpus Christi Home Depot without a purchase. That weekend an identity thief with email, age, birthday near me, but unrelated to me, bought property for a rental property I have nothing to do with or accounting of, but is owned by and Identity Thief of me.

The picture of me not buying anything in Corpus Christi is fused with something at a different GPS, a purchase by an identity thief, for a fake record that I did buy something when in fact an identity theft bought something from funds and an account not disclosed to me.

I was in Corpus Christ, was visible in Corpus Christi Texas Home Depot, and nowhere near Missouri Home Depot.

Photos of where Dopples of me operate, Arsons to those areas afterwards in sevarl cases, and the misspellingg domain confusion or brand confustion tricks to hijack my identity and move to elsehwere with it where other events not tied to me in reality will unfold.

Tom Dunham, myself, and Veronica Hoffman were all in that scene and attending events together.

One of the mechanisms for funding espionage illegally via use of trade secrets including in genomic medicine Title 18 U.S.C. §1831 [What is Economic Espionage *] is the use of what I call **Assets Down Liabilities Up** in which a Doppelgänger drains assets due to me through identity theft however when caught the Doppelgänger still in my identity will confess to the operatives who placed him to the fraud I pointed out, thus the fraud by the Doppelgänger is alleged to me.

Seymour Johnson Air Force Base is a United States Air Force base located in Goldsboro Wayne County) North Carolina.[2] The base is named for Navy Lt. Seymour A. Johnson, a test pilot from Goldsboro who died in an airplane crash near Norbeck, Maryland, on March 5, 1941.[3]

In August 1940 the War Department designated the airport as essential to national defense. In December 1940, $168,811 was authorized for the construction of a U.S. Army Air Corps Technical Training School. [James Paul Donegan meets Glorian Donegan?]

The 1961 Goldsboro B-52 crash was an accident that occurred near Goldsboro, North Carolina, on 23 January 1961. A BOEING B-52 STRATOFORTRESS carrying two 3 megaton Mark 39 nuclear bombs broke up in mid-air, dropping its nuclear payload in the process.[2]

On April 14, 1942, the first German U-boat fought by the American navy in U.S. waters was sunk sixteen miles southeast of Nags Head. Within the next couple of months, three more U-boats were sunk along the North Carolina coast: one by a U.S. Army Air Corps bomber, one by a U.S. Coast Guard patrol ship, and one by a U.S. Navy destroyer. North Carolina’s total of four sunken U-boats represents the most of any state. By that July, the commander of Germany’s U-boats became discouraged. He redirected his remaining warships to the northern Atlantic Ocean and Mediterranean Sea. Nevertheless, Germany considered its attacks against the United States a success, even if they failed to win the war. Gerhard Weinberg, a professor of history at the University of North Carolina at Chapel Hill, has since called the war zone off the U.S. coast in 1942 “the greatest single defeat ever suffered by American naval power.”

My best guess on my family history, their research, my research is Malcolm Wallace killed JFK and the FBI used Lee Harvey Oswald's dead hands, their guy in Russia now in Dallas shot by Ruby, to put his palm print on Mike Wallaces gun. - Estes, a long-time conman who served two prison terms for his crimes, said that Marshall (Department of Agriculture) possessed information linking Estes's fraudulent schemes to a heavily funded political slush fund (Operation40. McCoy was born DECEMBER 7, 1942, IN THE TOWN OF KINSTON, NORTH CAROLINA 80 miles South East of Raleigh NC, to Richard Floyd McCoy Sr. (1916 - 2008) and Myrtle McCoy (1922 - 2020), who were first cousins. He grew up in nearby Cove City. In 1962 McCoy moved to Provo, Utah, and enrolled at Brigham Young University (BYU) before dropping out to serve a two-year tour of duty in the Army. He served in Vietnam as a demolition expert and pilot[1] and was awarded the Purple Heart in 1964. [citation needed]

Richard McCoy was a devout Mormon who had lived in Provo, Utah since 1962, when he enrolled at Brigham Young University. He dropped out to join the army, where he served two years in Vietnam as a demolition expert and pilot. He was wounded in action, for which he was awarded the Purple Heart in 1964 and was sent home to recuperate. He returned to Brigham Young University where he met his future wife. He then agreed to serve another term in the Army on the condition that he could go to Vietnam. This time he was awarded an Army Commendation Medal for heroism. In 1968 he was awarded the Distinguished Flying Cross for a rescue he flew as a combat helicopter pilot. https://fearoflanding.com/history/the-odd-story-of-richard-floyd-mccoy-jr/

In 1965, McCoy returned to BYU, where he met Karen Burns. They married in August 1965 in Raleigh. By 1971 they had two children, Chanti and Richard.[citation needed]

McCoy served another term in the Army on the condition he could go to Vietnam, where he was awarded both the Army Commendation Medal and Distinguished Flying Cross. Upon returning to Utah, he served as a warrant officer in the Utah National Guard and was an avid skydiver.[2]

McCoy taught Mormon Sunday school and studied law enforcement at BYU. His purported dream was to become an FBI or CIA agent.[citation needed]

Marriage possibilities under the Nuremburg Laws of racial eugencis passed in 1935 to take affect after the Berlin Olympics of 1936 have ended

Nuremberg Laws retrieved from Wikipedia and copied or modified to here

The Nuremberg Laws (German: Nürnberger Gesetze, pronounced [ˈnʏʁnbɛʁgə gəˈzɛtsə] (About this soundlisten)) were antisemitic and racist laws that were enacted in Nazi Germany on 15 September 1935, at a special meeting of the Reichstag convened during the annual Nuremberg Rally of the Nazi Party. The two laws were the Law for the Protection of German Blood and German

Honour, which forbade marriages and extramarital intercourse between Jews and Germans and the employment of German females under 45 in Jewish households; and the Reich Citizenship Law, which declared that only those of German or related blood were eligible to be Reich citizens. The remainder were classed as state subjects without any citizenship rights. A supplementary decree outlining the definition of who was Jewish was passed on 14 November, and the Reich Citizenship Law officially came into force on that date. The laws were expanded on 26 November 1935 to include Romani and Black people. This supplementary decree defined Romanis as "enemies of the race-based state", the same category as Jews.

Out of foreign policy concerns, prosecutions under the two laws did not commence until after the 1936 Summer Olympics, held in Berlin. After the Nazis seized power in 1933, they began to implement their policies, which included the formation of a Volksgemeinschaft (people's community) based on race. Chancellor and Führer (leader) Adolf Hitler declared a national boycott of Jewish businesses on 1 April 1933, and the Law for the Restoration of the Professional Civil Service, passed on 7 April, excluded the so-called non-Aryans from the legal profession,

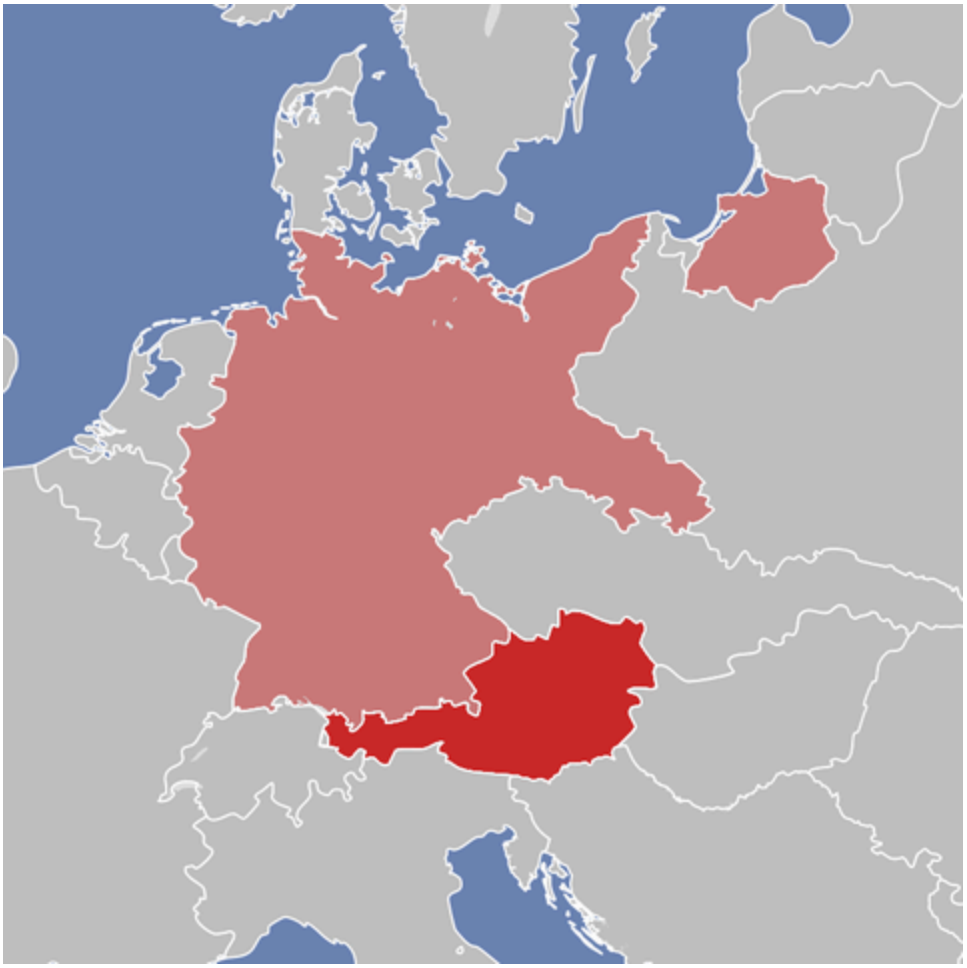
The Anschluss ("joining"), also known as the Anschluss Österreichs English: Annexation of Austria), was the annexation of Austria into Nazi Germany on 12 March 1938.

The idea of an Anschluss (a united Austria and Germany that would form a "Greater Germany") [a] began after the unification of Germany excluded Austria and the German Austrians from the Prussian-dominated German Empire in 1871. Following the end of World War I with the fall of the Austro-Hungarian Empire, in 1918, the newly formed Republic of German-Austria attempted to form a union with Germany, but the Treaty of Saint Germain (10 September 1919) and the Treaty of Versailles (28 June 1919) forbade both the union and the continued use of the name "German-Austria" (Deutschösterreich); and stripped Austria of some of its territories, such as the Sudetenland.

Prior to the Anschluss, there had been strong support from people of all backgrounds in both Austria and Germany for unification of the two countries.[3] In the immediate aftermath of the dissolution of the Habsburg Monarchy - with Austria left as a broken remnant, deprived of most of the territories it ruled for centuries and undergoing a severe economic crisis - the idea of unity with Germany seemed attractive also to many citizens of the political Left and Center. Had the victors

of World War I allowed it, Austria would have united with Germany as a freely taken democratic decision.



But after 1933, when the Austrian-born Adolf Hitler rose to power in Germany, desire for unification could be identified with the Nazis, for whom it was an integral part of the Nazi "Heim ins Reich" concept, which sought to incorporate as many Volksdeutsche (ethnic Germans outside Germany) as possible into a "Greater Germany".[4] Nazi Germany's agents cultivated pro-unification tendencies in Austria, and sought to undermine the Austrian government, which was controlled by the Austrofascist Fatherland Front. During an attempted coup in 1934, Austrian chancellor Engelbert Dollfuss was assassinated by Austrian Nazis. The defeat of the coup prompted many leading Austrian Nazis to go into exile in Germany, where they continued their efforts for unification of the two countries.

In early 1938, under increasing pressure from pro-unification activists, Austrian chancellor Kurt Schuschnigg announced that there would be a referendum on a possible union with Germany to be held on 13 March. Portraying this as defying the popular will in Austria and Germany, Hitler threatened an invasion and secretly pressured Schuschnigg to resign. The referendum was canceled. On 12 March, the German Wehrmacht crossed the border into Austria, unopposed by the Austrian military; the Germans were greeted with great enthusiasm. A plebiscite held on 10 April officially ratified Austria's annexation by the Reich.
